

NAM QUOC DAM

Mobile Developer

✉ namdq1969@gmail.com ☎ 0985 284 148 📍 Hochiminh, Vietnam

EDUCATION

**University of Economics of
Hochiminh City**

Oct 2008 - May 2012

- *Major: Finance and Bankings*
| GPA: 7.2/10

WORK EXPERIENCE

**VN COFFEE TEA SERVICE
TRADING CORPORATION (THE
COFFEE HOUSE)**

Oct 2016 - Present

- *Mobile Developer and Designer*

Main responsibilities:

- Develop brand new application in React Native framework. Use Javascript, Objective C and Java.
- Design prototype app in SketchApp, improve UX and UI
- Test the application manually.
- Experience expressjs, mongodb, reactjs, and vuejs.

**LIFESTYLE PROJECT
MANAGEMENT VIETNAM CO.,
LTD (TIMO)**

Nov 2015 - Oct 2016

- *Mobile Developer*

- Worked in a mobile team using Git to maintain the workflow. Used Objective-C and Cocoa Touch framework to develop native application in mobile with exported design from Zeplin.
- Secured application from MITM attacks with SSL-pinned certificate, and apply some security layers to protect user from attackers.
- Stored server's response to CoreData and filtered using predicate.
- Created categories (Objective C) and extensions (Swift) to extend classes, as well as produced libraries for re-using in projects.
- Worked directly on Push Notification with APNS (creating certificate, defining push message, ...)
- Enhanced user experience in a brand new e-banking mobile application.
- Managed tasks within Agile framework, cleared Sprinted tasks, and controlled JIRA workflows.
- Developed new features for proprietary iOS applications used on phones; worked with developers to develop top tier solutions for customers.
- Designed and built advanced applications for iOS platform, and collaborated with cross-functional teams to define, design, and launch new features.
- Tested code for robustness; executed edge case, usability, and general reliability analysis.
- Fixed bugs and improved application performance.
- Wrote unit tests for mobile code and debugged critical application issues such as crashes, memory leaks, and concurrency problems.
- Integrate RESTFUL web services to retrieve and handle JSON data.

CERTIFICATIONS

2012	TOEIC Certificate with score 915
2012	TOEFL ibt Certificate with score 87
