Re: ASP.NET Developer (Magnetix)

Dear Sir,

Regarding your advertisement at the website <http://www.vietnamworks.com>, I would like to enclose my CV to apply for the ASP.NET Developer (Magnetix) position of your office.

The opportunity presented in this listing is very interesting, and I believe my strong technical experience and education will make me become a competitive candidate for this position. I graduated from DongDo University in Technology Faculty. I have good developing software knowledge and group managing skill with eight years experience in developing software field. I am not only have a full understanding about the developing tools such as ASP, Visual Basic 6.0, ASP.Net, VB.Net, C#, Microsoft Biztalk, Microsoft SharePoint, Microsoft Visual SourceSafe, CSS, XML, HTML, JavaScript, VBScript, Crystal Report, ... but also in database management tools such as Microsoft Foxpro, Microsoft Access, Microsoft SQL, Oracle, ... I also have experience in investigating, consulting, writing technical documents, training users and deploying software projects.

At present, I am working as an expert in FPT Information System Company, a leading company in information technology in Vietnam. As a project leader, I have to implement all project activities such as making project plan, investigating, analysing, designing, coding, training for users, deploying system, ... Most of our projects are based on Microsoft technology (such as IIS, .Net Framework, Biztalk, Sharepoint, Microsoft SQL, ...). Apart from the main role of a project leader, I also take responsibility for other tasks as a consultant or a supporter.

Beside my professional knowledge, I am a responsible, enthusiastic and hospitable employee. I am also excellent in teamwork and as a member of a team under a high pressure working environment.

With my strong will to work and contribute for Niteco Ltd development in Vietnam, I hope to have an interview at your office.

I am looking forward to hearing from you soon.

Yours faithfully,

Tran Lo Giang
