✦ Waypal

- ➢ **Description**: Wayposh allows you to shop, sell and help-to-buy items all within the convenience of a single app. Wayposh intergrates discounted shipping for domestic and international shipments when selling items from the United States. Enjoy the convenience of readily prepared shipping labels and commercial invoices (customs forms) emailed to you for printing. Wayposh provides built in shipping cost calculator for estimating shipping costs before hand when shipping from United States to other countries and domestic as well. Wayposh uses PayPal for safe and secure payments through the app. Shopper will use PayPal payments to purchase items and Sellers will only receive final payments from Wayposh once the item is deemed to be in good condition when received by the Shopper. PayPal processing fees apply. All payments are handled via PayPal for safe and secure transactions. Wayposh is a no frills app that allows you to SHOP, SELL and HELP! And whilst you're at it - have some FUN too!
